Sir

I am instructed
to transmit herewith for H. 542/-
for the purpose of Yoga-
Varsheem-Hawanni Temple
in Cyprus, Thomas Tel
I have the honor to state as

for

follows:-

The Municipal Council of Bangalore has already executed a certain simple Cottage Hospital. A measurement list showing the same is contained in the Personal file herein cited. This work is not included in the estimate for Rs 542.

The same Bungalow is proposed to enable further repairs for Rs 100/. The building is satisfactory with the repairs already executed and recommended the necessity of further repairs. Taking the cost already executed and the proposed work of Rs 100/. the total estimate from the Records comes to Rs 642/. The amount of the Credit of the Municipal

temple is only Rs 18-2-8.

Under the above circumstances I think that the case is one in which the deficit amount may be given from the State grant. I request therefore that Government sanction may be accorded for the estimate of Rs 542/- (Rupees 542/-) of which being met from the State grant.

I have the honor to be
